I am so excited!! It has just been announced on my favourite local radio station Smooth that their Big Ten artist next week is ..... oh who could it be....what's her name again.... now I remember.....DUSTY!!!! Aaarrgghh!!! I've already put my request in. I've asked for All I See Is You and My Colouring Book and I have told Dave Johnson (my fave DJ who hosts the afternoon show which features the Big Ten thingy) that I am attending DD on 19th, getting my Dusty tattoo on 15th and asked him to raise glass and wish Dusty a happy 70th on 16th. Oh this is gonna be a good week on Smooth radio!! :) xx

I can't wait to see it. I'll be really impressed if it's a full-length Dusty on your entire left leg. 🤔🤔

Actually, I'll be really impressed with it whatever it is - I think I'd pass out before the tattooist could set needle to skin!

I'm sure your leg will be very popular on Dusty Day, Jodie. 😊

Just got home. Pictures on the way folks - don't worry Carole I wont inflict both my legs on you, the tattoo is only on one leg - unless of course you want to see my pink and purple unicorn on my other leg ;) Sorry to disappoint you too Vicky, the tattoo is not a full length Dusty - I'd probably be in the tattooists chair til Dusty Day 2010 if I was getting a full length one! lol

I am so disappointed with Smooth radio today. I told you all about their Big Ten feauring Dusty this week but unfortunately so far they haven't played either of the songs I requested. As if that wasn't enough disappointment I text the show today to say please mention Dusty's birthday today but they didn't!! How come they could not mention her 70th birthday!!?? Incidentally the songs they have featured so far are;  
Monday - In The Middle Of Nowhere & I Just Don't Know What To Do With Myself  
Tuesday - Wishin and Hopin & Son Of A Preacherman  
Wednesday - Nothing Has Been Proved & You Don't Have To Say You Love Me  
Thursday - Little By Little & Your Love Still Brings Me To My Knees

Lets see what tomorrow brings, hope they play one of my songs or atleast mention her flippin birthday albeit belatedly!! Grr!!

Clare - it took just over 2 and a half hours. It's the biggest tattoo I've had and took the longest time to do. Vicky - it hurt but as with all my tattoos it was bearable, although I was glad when he was finished. Glad you both like it :)

Vicky, I would almost swear you must be a fan of 'Prisoner Cell Block H' (and if you are, the entire series is available now in a special collectors box set, the biggest single box set EVAH).. ;)

Yes yes yes yes yes!!!! Smooth radio read my email out today and so Dusty Day and my tattoo got a mention. Dave J did not play the songs I actually requested but what the hell I got my email read out and he played 2 fantastic choices anyway - I Only Want To Be With You and I Can't Give Back The Love I Feel For You :) I'm a happy bunny now!! :) xx

Thanks Clare and Vicky - I was driving when it came on so the other motorists probably wondered why I was grinning like an idiot and had my radio cranked up to about 1 billion decibels!! lol :)
