Bobby Darin 1973 series coming to DVD (Dusty-related) (#p111147)

by **Kyles Beguiles** » Fri Feb 01, 2013 6:34 am

"MPI home video is preparing an NTSC release of all 13 episodes of Bobby Darin's 1973 variety show, release date has yet to be announced... but is on target for April-June. Guests include Petula Clark, Dusty Springfield, Leslie Uggams, Peggy Lee, Bread, Nancy Sinatra, Sonny and Cher, etc."

What a thrill that we will get several new vintage Dusty performances on home video; and from her 1970s vocal peak, no less!

Here's to hoping that someone issues the Dinah Shore Show on DVD next 😊

I believe this will feature the following three performances, the latter two of which were issued in audio form on the *Heart & Soul* compilation.

Baby, I Need Your Lovin' [duet with Bobby Darin]
Magnificent Sanctuary Band
Of All The Things

Her performance of "Since I Fell For You" from his 1972 series has been previously issued on several Dusty live performance compilation DVDs, though usually with a sloppily edited intro.

More info here; mentions the 1972 series which also featured Dusty (though it appears the upcoming release will be just the 1973 series).

This DVD is still in the works, I've seen 8 April as an estimated release date in a couple of places (not on Amazon yet)

Very glad to hear an update on this item! I can't wait to see Dusty and Bobby perform "Baby, I Need Your Lovin'" and finally match the video to the audio for "Magnificent Sanctuary Band" and "Of All the Things".
