Interesting pic Cas!.....People used to dress up smart for a night out back then!

Does Casterways still exist?.....is/was it a venue in Manchester?

Ok, right! I admit that's the Casterways. And that's my head, but I don't have those photo's. Strange, as I probably took the b/w one. The Casterways (Castaways?, not sure of spelling) was in Birmingham Mark, they gave us garlands to wear around our necks, that I do remember. She sang a song especially for us during the second show, that I also remember.
