Following on from what folk think of Patti's YDHTSYLM, I wonder what you all think of Deni Hines's version of SOAPM? I'd go so far as to say I've only heard Dusty (obviously) and Madeline (probably), do it better.

I thought it was OK - a bit too laid back for me, as if she were holding back a bit and just going through the motions of singing it. Mind you, I rather wish I could go through the motions like that. Its easy to be critical when you're useless yourself, ain't it?

I agree that Dusty and Madeline are up there but I did like Joss Stone's version at the HoF.

I think Deni's version is pretty good..i like it. It does lack the great Memphis musicians which makes it lag a bit & of course, nobody has the vocal dynamics of Dusty. thanks Carole paula x

Don't know if you're there too Mads, but Gemma called from a carol's in the park somewhere in Sydney and said that Deni had been on singing SOAPM. It sounded like everyone was having a ball.

Carols in the Domain!!

I wasn't there this year (my parents are away and I couldn't be bothered to bus it 😞) but usually I go - it's great!

I'm kinda having a party so I didn't watch it on TV either - I wish I'd seen Deni live though!!
