Aw thanks sweets! I like them, too.

Is it time to add a couple new ones, what does everybody think?

Post them here! 🍷

I love them - I guess a couple of new is always nice too. I tried b&w in this one. Can tweak more if necessary.

You don't mean the one where she "looks like a child at Christmas"? Coz that one's there. Describe more, I'll try to find it. 😊

Can we please loose the picture of Dusty with one eye and a vending cup of tea. Something about that picture scares me.

Ha ha - but seriously - I get a depressed vibe from her in most photos during that session. Maybe it's just me then. Perhaps she had a headache? Can't be good singing when you have a headache..

No I know what you mean, when I watch her perform around then she never looks too happy, and the same goes for the photos and interviews.

I think she knew she'd peaked commercially and in her own words was starting to feel 'directionless and tired.' That's the price of being a pioneer I guess - you work hard and all your successors benefit.

Off topic but - did you see her Astro chart I did? I was surprised - it felt really accurate - well it seemed so to me anyway.

LOL... I've added five new slides, and I've replaced the picture from the Look of Love performance cause it had such bad quality.

The banners are actually quite a bit of work, one slide is approx. an hour's work. So right now, I don't feel like replacing individual pictures. You'll just have to squint when a pic comes up that you don't like, ok. 😊

Maybe I'll do it for your birthday, Tim.
