We have 'Summer Is Over' and we have 'In The Winter'...

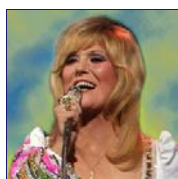

But I don't think Dusty did a Spring or Autumn Song.

Any suggestions for her?...

Shall we keep it to one suggestion per Season each?

CR ..expecting to be inundated. xx

'Windmills of your Mind, has the line
The Autumn leaves were turning to the colour of his hair.

That's all I can think off.

There's also Summer Love.

When I first saw the title of this thread I thought you were being PC
correct and meant her Springfield's Christmas EP.

I can see
Now that you're leaving me
All the shades of autumn
In the colour of your eyes...

'Earthbound Gypsy' has the line, ' Young leaves that fall in spring.'

The SONG 'Dusty Springfield' does mention Spring.. "Hobby horses play the dusty game when it's May"

"Yesterday's gone....love lead me on"

Or there's 'You've Got a Friend', which has the line "Winter, spring, summer or fall..all you have to do is call.."

"Yesterday's gone....love lead me on"

You got 'em all in one there, Taylor. 🤪👍

When I thought of this thread though, I was wondering whether we could think of any *Non-Dusty* seasonal songs.. Which she could have 'dustified.'

I'd love to have heard her sing "Autumn Leaves"

The falling leaves  
Drift by my window  
The autumn leaves  
Of red and gold  
I see your lips  
The summer kisses  
The sunburnt hands  
I used to hold.  
Since you went away  
The days grow long  
And soon I'll hear  
Old winter's song  
But I miss you most of all  
My darling

When autumn leaves start to fall".

Can you just imagine how haunting that would be in Dusty's voice?

Me too, Marty. Which made me think what about copies of The Christmas disc for the more discerning members on the old Christmas list?
