Aside from her recordings used on film soundtracks has Dusty ever been referenced in any films?

I mean maybe mentioned in dialogue or her poster on a wall or one of her records shown in a scene?  
Anything like that.

I have a scene in my head that I just can't get to and it's going to drive me crazy! Dusty was mentioned by name in dialogue that had something to do with a handbag and make up.....oh, lordy I wont get any sleep till I remember this 😊 In the film 'Unconditional Love' there are a couple of Dusty moments, one where a CD appears called 'Victor Sings Dusty' (I think that was the title). I love this film, it's got some of the campest moments and wonderful cameo's. I also remember in Meera Syal's film 'Anita and Me', the character said something about wanting to be Dusty Springfield. I'm sure more will come to me, including the handbag one!

Well, there is that one episode of Absolutely Fabulous where Saffy tells Patsy she looks like a sad reject from Ready Steady Go! That always makes me laugh...but it's not really Dusty is it!?!
