When Janice, Laura, Anna and I had dinner Wednesday night Anna brought the silver jewelry of Dusty's that she won in auction. Thought you would enjoy pics of it. Laura also took some pics which are on another thread....maybe she could put the pics here too, or add a link. Cheers.

Wow, that's a lot of jewellery--was it just one lot at Auction? Bet you all had fun trying it on. 😊 Were the earrings clips (some looked too heavy for pierced). You must have had an affinity with that long horn steer Nancy--very Texas! 🤠

Anna said it was all in one 'lot.' She got it at that big auction--I think the same one where Carole's shoes came from.

Yes, the earrings were all clip on. Weighed a ton. Our girl liked that big jewelry!

Yes is was from the Sotheby's auction. I think I took some pictures of jewelry at the viewing, I'll have to see if I can find them. What about some pictures of Dusty wearing any of the pieces? I'm sure there are some.

That would be cool to see. I'm sure she looked better in the stuff than we did!

I think it amazing that she got all that jewelry in one lot..its great because some of it is recognizable from Dusty's later videos.

If those dangling earrings are clip-ons ..I think they would slip right of my ear lobe they look so heavy

Dusty's collection of big earrings was massive! I looked through all my 80's pics and there was a huge selection but I couldn't spot any of those above.....except for the ones that Laura is wearing. Dusty wore those in the 90's. Not a very good pic I'm afraid but there is a clearer one in DWD, where Dusty is being 'attacked' by the nun puppet.

Clip on? 🙄 Ouch!

Did Dusty not have her ears pierced?

Have you heard the expression "beauty knows no pain"?
I'm sure Dusty was intimately acquainted with the expression...and reality!

Yeah it kinda felt like the earrings were gonna drop off as they were so heavy and clip ons simply reply on gripping to your ear lobe! 🙄 Not ideal, but it was okay to wear for about five mins...

hi all,

18 Posts

Yes Carole they were from the Sotheby's auction and I did get them all in one bag. There is a big silver wrist bracelet or cuff which I don't see pictured here but I think Nancy or Laura took a shot of which Dusty wore when she appeared with the Pet Shop Boys at The Brit Awards - check her earrings at that event too.. plus there was a small ring in the shape of a cat - she had slightly thinner hands than me - it's cute. All silver, which I personally prefer to gold too. The Texan horse skill on the black laces with silver tips Dusty bought around the time of her last album when she was recording there. I wear that most often - not sure if she had pierced ears but all the earrings are clip ons.. Thanks to the lovely Laura and Nancy for taking the photos.. and also to Janice and L and N for modelling them! :-) I always feel a special vibe when I wear the Texan piece. Don't wear the rest, but I think the prettiest piece is the celtic bracelet - celtic circles.. and of course I broke the bank buying it all but hey I know you all would have done too.. luckily for once in my life I actually had funds then..

It's great to see them - like Mary said - thanks to all. May be I will get to hold a piece one day (I don't think clip ons are my thing despite rumours to the contrary..)
