Neil! there are two of that description -- do you mean the B/W or the color?

Carole, on the left hand side of the photo where Dusty is coming out of the lift -- is that by any chance the dress Dusty wore on The Dating Game when she sang What's It Gonna Be? (And then chose the wrong date LOL.) Maybe Pat was carrying it?

Can you get your photoshop friend to crop you in beside Dusty in that car? ;-)

Yes, it is the Dating Game dress Nancy (and jonny!), though it wasn't till many years later that we got to see that clip of her wearing it over here, so it meant nothing to me then. It was hanging up in the dressing room along with the pink and white mini. I have no memory of Pat being there that night, I've a feeling a guy was carrying them, could have been Peppi, he was there. And Neil, I also love that b/w

one in the car, I can remember the freckles and suntan as if it was yesterday (Dusty's not mine!) 🙄

I pwomise I didn't see Jonny's identical question before I posted mine. 🙄 Some moderator I am. 🤪

PS She probably cancelled that date to outer Transylvania in order to play in that show at the Castaways. 😏

PPS I just read your remark before the 🙄 Carole -- I thought you were saying Dusty doesn't belong to me, LOL. 🙄

Brilliant thread Carole - thanks for starting it up and thanks everyone for sharing those photos - they really are terrific! Still makes me very frustrated I didn't get my own photo with Dusty and that I didn't get to see her "live" more than the once. Should have been another time in Manchester (Golden Garter? I think) but fog at Belfast Airport grounded my flight!

these are great pics. I used to cry and was always beside myself when she was due on the tv, if anything went wrong re the picture or something. My Parents used to tell me off for being silly, as it "wasnt the end of the World, she will be on again" but it was to me and I think I would be worse today !! I was so excited everytime I went to see her I could hardly bear the wait. 😊

Those are just brilliant, Cas! Thank you.

Don't you just love the "tricks and jokes" in the background of the first photo?! Seems so perfect for Dusty.

Liz, that is a very sweet story. I know just how you felt.
