Product Description

Her singles, Son of a Preacher Man, I Just Don't Know What to Do with Myself, You Don't Have to Say You Love Me and many more bona fide classics charted highly on the both sides of the Atlantic. With 20 top 40 singles and 10 top 40 albums, and an inductee of the Rock and Roll Hall of Fame, Dusty was a star in the realest sense. With a troubled private life and untimely death aged only 59, Just Dusty gives the inside story into the life, loves, tragedies and successes of this remarkable artist.

Featuring live performances, unseen footage and photographs plus contributions from friends and colleagues including Pet Shop Boys, Burt Bacharach, Mari Wilson, Marc Almond, Pat Rhodes, Simon Bell and Frank Allen from the Searchers this is THE definitive Dusty Springfield Story!

Special Features: Unseen performances and photo's plus Interviews with close friends and colleagues. Tea With Dusty, Out-takes, Bonus Performances & Trailers.

Not sure what is actually on this but I think that it may be worth getting and as it comes out the day before my birthday it's a good excuse to treat myself 😊

Excellent idea, John :)

This'll be the same DVD that Cas asked about the other day? Apparently it's the one mentioned here previously, where the rep from Odeon was on the forum briefly to ask if anyone had private footage of Dusty.

I saw this mentioned yesterday and checked it out. Yes, it's the Odeon DVD we heard about. Humboldt has posted all there is to find on the web so far except one advert says it's 120 mins long. Another says it's 80 mins long. I like the sound of the bonus 'track' 'Tea with Dusty'.

Mentions and reviews are starting to appear online and in the press too, such as here -

8/10 ain't bad. Doesn't the review just pertain to the CD? BTW I thought that the release of the DVD had been put back to 20th April.

Yep, the review was purely for the CD. And the DVD will indeed be released on the 20th, according to Julie.

Mind you it's not very good value as it only has 26 tracks & costs £8.98. Whereas 'Dusty Gold' has 51 tracks and costs £8.77! I know which one I'd buy if I was just discovering Dusty.

And £10.87 for C&C, also with 51 tracks, lol.. all the same, with the anniversary peeking over the horizon, and the publicity surrounding 'Just Dusty', hopefully some new fans will be drawn to the wonderful Dusty and her music.. :)

The ad for the album was shown at prime time tonight in the middle of 'Corrie' 🤖. A really nice ad - and so colourful.
Looks like another top 20 entry for Dusty 🤖

I feel so pleased that 'Just Dusty' is getting advertised during primetime TV.. 🤖

They must have high hopes for it.

Ten yrs on... and Dusty is still making Prime time!...

Cannot be bad!.. 😊😄
