I know of some songs that were played at Dusty's funeral but have not seen the Order of Service anywhere. Has it been published?

These we would be always blessing,  
serve thee as thy hosts above,  
prayer, and praise thee, without ceasing,  
glory in thy perfect love.

Finish then thy new creation:  
pure and spotless let us be;  
let us see thy great salvation,  
perfectly restored in thee;

changed from glory into glory,  
till in heaven we take our place,  
till we cast our crowns before thee,  
lost in wonder, love, and praise.

#### TRIBUTE

LESSON  
Psalm 121

#### HYMN

And did those feet in ancient time  
Walk upon England's mountains green?  
And was the Holy Lamb of God  
On England's pleasant pastures seen?  
And did the countenance divine  
Shine forth upon our clouded hills?  
And was Jerusalem builded here  
Among those dark satanic mills?

Bring me my bow of burning gold!  
Bring me my arrows of desire!  
Bring me my spear! O clouds unfold!  
Bring me my chariot of fire!  
I will not cease from mental fight  
Nor shall my sword sleep in my hand,  
Till we have built Jerusalem,  
In England's green and pleasant land.

#### COMMENDATION & COMMITTAL

A medley of songs..... Dusty Springfield

Hi Kate,

Thought these may be of some use to you. They are not too clear but I hope they can be read.

I attended the funeral and this was order of service given out on the day. 🌹🌹🌹

Thank you Dustymike. I have often visited St Mary's Church to pay my respects and on many occasions have wondered what the service was like. I was born in 1957 and having an older sister was emerged in Dusty's music. I followed Dusty's career until her death and was just so very sad that I never got to see her perform live.,

I already had this scanned in, just adding it in case it's easier to read. What is missing from the order of service is 'Goin' Back' which was played during in the service. One of the most moving moments.

Yes I now associate Goin' Back with her passing as such. Cried when I saw the footage of the funeral, with that song.
