This week ..in 1964 (#p142684)

by **Brian** » Sun Jan 05, 2014 9:46 pm

50 years ago this week, Dusty reached number 4 in the UK chart with her debut solo single IOWTBWY.

We were all much younger then (and many of you were not even born!), but we all still enjoy this masterpiece of pop music...so let's raise a glass (or perhaps 2 in CG's case! 🍷 ..and why not ?) to this wonderful record

Brian-you are right. IOWTBWY was and still is a pop masterpiece. I can't even count the amount of times in one week that I listen to it. It's a lot. I was 10 years old in 1964. Yes, we were all a lot younger!

And let's not forget it was racing up the US and Canadian charts - and The Beatles weren't on Ed Sullivan for another month. Cheers 🍻 🙏 🙏 🍻
