It would seem that there will be a Dusty moment in tonight's Emmerdale when Billy gives Diane a Dusty CD for her birthday. He's wooing her with Dusty CD's, how sweet 😊 There is a preview to view but my machine wont play it.

Oh isnt this great, i just love it so much when i hear her name or hear her sing on something on tv. I feel very proud too. I will be watching thats for sure. I wonder if we will see the album or if it just be her reaction that we see.

She even looked lovely slipping out of a brown paper bag 🙏 Three separate Dusty moments including The Look of Love. Let's hope the saga continues.

LOL!.....I haven't watched Emmerdale properly since the days when it revolved around 'Annie's Kitchen', but I had to watch it tonight so I didn't miss any 'Dusty moments'!

There was even talk of a Springfields 'tribute band', and acquiring tickets, but I guess that was just poetic licence.....was it?

Whenever I see 'Diane', I can't help seeing her in her 'Liver birds' character, 'Carol'.....LOL!! 🙏🙏

I liked the way Diane clutched the CD to her chest as she remembered travelling in an old van to see Dusty live, ending up sleeping on the Embankment! Those were the days 😊

I thought it was fabulous, the whole scene, i held my breath when she opened the bag, it was so exciting. However, i have just read that she returns his present tonight, so there may be another dusty morsel in there somewhere. I imagine her reason is that she`s already go it! I must say the

actors are doing a very good job of creating sexual tension, i almost fancy Billy myself LOL!!

Well there were even more Dusty moments tonight! Clips of three songs from the CD, Diane trying to give it back to Billy because she didn't think she could keep it, then later guiltily throwing it in the bin (👎) and hubby Jack finding and rescuing it. He brought it back in and told Diane not to be silly because he had "Dusty moments" too. They then had a little dance to IOWTBWY.

Hey Carole -

Do you suppose the CD said 'Beehive Productions' on the back? :)
