Yes. Cool! You get the point about 1 min 33 secs in.

The video is great anyway and makes me remember how much old time style rock'n'roll was in the charts. The teddy boy look also came back and was part of the early punk era too. I was heavily influenced by the 50s back then too. Fab! Thanks for the memories.

A lil trouble making out the lyrics. Is he saying something about Dusty?

The song 'Flowers In The Rain' by The Move...was the very first record played on Radio One.. a hundred years ago. 🙄🤔

I just knew Roy Wood had taste, you can tell by his hairstyle. 🙄🤔🤔

Rock On Roy!...and well spotted Dave. 🤔🤔

Played by Tony Blackburn.

I think Roy Wood chose a Dusty track when he did Tracks of my years.
