I thought we could do another poll with Dusty's 70s dresses, if you haven't tired?

So far, I have the following pics. Are they all from the 70s? I'm not absolutely sure about all.

Also, we'd need four more dresses to make a selection of 15. Any suggestions?

When we've collected all 15 pics, I'll make a poll. 😊

ummmm - I don't think these are: 3, 5, 6, 7, 8 -

8 definitely isn't.

I'd go for number 3 - to be honest I'm not a fan of many of them.

The flower suit is very definitely 60's. A few of the others just creep into 1970 and I'm not sure but no 9 could possibly be from '69. I'll look through my stuff tomorrow, see what other outfits I can find.
