### A Love Like Yours On TOTPS 1978. (#p112089)

by **darren2722** » Tue Feb 12, 2013 8:39 am

This Thursday 14th February there's a Valentine Days Present for those who can get BBC4. ❤️

There's a vintage Top Of The Pops from 1978 presented by Peter Powell, featuring Dusty singing *A Love Like Yours* The program starts at 7.30 PM On BBC4 and lasts for half a hour. It's also repeated 6 and a half hours later in the early hours of Friday morning at 2am. 😊

Obviously it's a repeat, but I don't know if it has been shown recently. 😊

Bound to be on the bbc iplayer later. 😊

👍 Thanks for the info Darren

I remember this from the first time round - Dusty gave a SUPERB performance  
That song deserved to be a massive hit.

I just caught this now on iPlayer. Were any of those other performers well known? I hadn't heard of anyone aside from ELO and Dusty, of course. If you don't want to sit through the other people, Dusty comes on at around 21 minutes in.

Didn't Dusty look FAB !....the outfit and those boots 😊

Not keen on the hairstyle from this period though - IMO it makes her look 'housewifey'. True it was tidy, but Dusty was a trendsetter!...and it looked 'average'.  
(apoogies to any lady who has this style!!)

I agree Brian, it's a very middle aged hairdo. My son thought she looked like Margaret Thatcher! 😊

I loved the boots too, Brian. I like the hair she had in RAH concert which I believe was close to the same time period as this TOTP performance, wasn't it? Those other acts, though. I can't say I saw the appeal of any of them.

LOL on Margaret Thatcher, Amanda.

Apology accepted Brian 😊 My hair is a little shorter and darker but this is kind of the way I wear it! My only defense is that it is natural...I wash it, dry it with a towel and that's the way it ends up. I hate to take time to mess around with it. I don't think that I look like Margaret Thatcher though Amanda 🙄 My son says I have "anchorwoman hair" 🙄😊 I do agree that it is not very flattering to Dusty and to be honest I really don't care for the song either 🙄

I'm gonna hide behind my settee...but this was never my favourite song from Dusty or my fav look clothes wise 🙄

Good job we don't all like the same things.

However it was nice to see her on the programme from the 70's

I agree Trekkie, not a good song for her and the boots just not right with those pjs.... the line up on that show was pretty poor, apart from Dusty and ELO. 🙄🙄

Nice to see her but her comeback was not what they wanted was it 😞
