Has everyone had a look at Uwe's original Dusty collage, which will be auctioned at Dusty Day, and his three acrylic portraits, which will also be sold?

What do you think of them? Do you like them? Would you bid for them?

It's quite fantastical and really fun and I guess I wouldn't mind finding a spot for it on my wall but to be honest. I'm not sure I'll be bidding .on this...mayyyybe something else..not sure how high things go for at this auction.

I'll be interested to see what it goes for, Paul. My personal taste is more for the three portraits, though. I do like them. A lot.

I'd like to see this in real life, so to speak, can't say its really the sort of thing I would buy...even if I could afford it. I hope it does well.

Naturally I'm rather fond of it, having hounded the artist to create it. Hope it sells for more than I could afford, but I can imagine I would bid on it.
