I thought it would be fun to collect in one thread all the autographs LTDers have of Dusty....where on photos or napkins (serviettes--sp?) or w/ ones you've seen online and that appear to be authentic.

Warning: Some of us may get quite envious during this process.

I'll start it off with "To Ivan"...which I found on eBay.

This is a copy of a letter that Dusty sent to Lynn Jackson who ran DSI. There's no date on it but it's from the second half of 1986. Sorry it fade

Its all very true. She didn't like recording in N.Y. She liked recording in L.A. Thats when the studios were big. There is only 3 left now. Its intern verify stuff. Love Teda. xx

Here's the autograph I have. I bought it from a woman called Debbie in the US--the dedication is to her. She said that she collected autographs autograph. This is what came back. On the back of the photo it is date stamped June 11 1990. It looked fairly real--anyway I hope so!😊

This picture was taken in 1986. I sent Nancy 3 snap shots. One of this shot that was made into head shots. It has to be real. She could have u Nancy puts it up. Or I can send it to you and you can put it up. The 3 are in a frame. Dusty gave them to me after she took the shots. Love Te

Cool Cas!

On the subject of signatures - Look what I got in the post yesterday...!

It's from a good friend of mine who was given it at one of her concerts - Drury Lane I think in '79.

At last I have something Dusty touched!

LOL.
