Oh these are fantastic!

Kathy - Dusty looks stunning in the signed photo addressed to 'Debbie' ... I love her look in that, as its the look I saw when I first became acquainted with Dusty.  
And Carole and Cas - for goodness sake!!! Exactly how many signed pics do you you have between the two of you? lol ..

She has a wonderful signature, too.

I thought it would be fun to collect in one thread all the autographs LTDers have of Dusty...where on photos or napkins (serviettes--sp?) or whatever..... These can be ones you own or ones you've seen online and that appear to be authentic.

Warning: Some of us may get quite envious during this process.

I'll start it off with "To Ivan"....which I found on eBay.

Hey, that 'Ivan' looks the spitting image of MY name... Wish I'd seen it before you....

We're here for Dusty...

Here's one that Dusty gave to me personally when I visited her backstage (bold as brass I was, not the usual bashful me)after she'd done the Mike Bursteyn Show in Bussum, Holland.  
She misheard my name, but I was so starstruck I didn't have the heart to correct her.

I'm willing to part with it IF we have a 'Hans' in our midst.... Now don't y'all go 'I'm Hans', I will need some identification, a driving licence will do nicely, thank you

LOL, Frans. I wouldn't part with it no matter what! I'm thinking of changing my name by deed poll! 🤪🤪

Speaking of "bold as brass" if you are really serious about being willing to part with it Frans, how about giving some thought to offering it as a major prize for our next raffle for charity? 😊 That would be some time toward the middle of the year. An authentic Dusty signature (complete with gorgeous story such as yours) always sells lots of raffle tickets. 🤪🤪

I boosted the saturation just a touch and the bigger version was really lovely. I think this picture and the one it replaced (on my site, I mean) are two of my all times favourites. She was so stunning in that period, very attractive and quite radiant.

That is so generous of you, Hans, I mean Frans, and if I win it, I think I'll change my name too. No idea what a deed poll is, though-- must be some weird Oz thang. 😊

Bosseh Hans does have kind of a ring to it, doesn't it??

Frans, I was half kidding (but only half mind you!) 😊😂😂 You are very generous and sweet to offer such a lovely photo with Dusty's autograph to our Raffle. 🤔😬 The tickets will sell like hotcakes. We'll offer it sometime in the middle of the year when we run the next raffle unless you decide you were crazy to make such an offer. 🙏 Thank you.

NOW you tell me...Ooooooooooooo, you're the devil in disguise, you are! Part of me didn't want to part with it, but I made a colour stat just for the autograph, so the picture will still be with me, in a way. Moreover I do have the memory of seeing Dusty, and that's NOT for sale 😬

It's just that there's so much to look at, I can't always keep up Frans, but this must be the next picture, I'm halfway through the other one you provided me with, you know the one at the hippodrome, but when I saw this one WOW, I'm pretty sure I haven't seen that one before. I've been trying to make up my mind about the next picture, because I have such a wealth of material, but you have once again made it up for me.

OMG I didn't get that Frans was offering this up for auction....I thought you were serious about it only going to someone named Hans! (Yeah, I am frighteningly literal minded at times.)

That is SO freaking amazing. And it is going to drive up the ticket sales!

Is it 8 x 10 inches?

I can't wait til we get our summer auction ramped up!!

I still have the card and the envelope.
