Courtesy of Humboldt and the fab DustysGotSoul YouTube channel here is Dusty's TV premier with the Springfields but she's singing a solo number 😊. A true golden Dusty nugget that I've never seen or heard before. Oooh that utterly gorgeous Dusty Voice that was there from Day 1 and that I'll always, always love. WoW!

Thank you John/Humboldt. Thank you DustysGotSoul. Oh this is so great and it's such a high quality transfer. I hope we see it on a commercial DVD soon 😊😊😊

Really pleased that this has turned up on YouTube. A few years back it was shown as part of a Dusty evening at the NFT and everyone had a big smile on their face watching it 😊. Sometime after that, Fraser got hold of a bad copy of the whole show, (maybe even two shows) which I have somewhere on video. This is much, much better quality though. I'll dig the video out and check what all the songs were.

Ta for transferring this to its own thread Melanie. 🍋

As I said last night, I was afraid that some of 'us' might miss it.

It is a piece of Dusty musical history, and thanks to John and Dusty Got Soul for sharing it in the first place.. 😊

I think its SIMPLY fab!..I just wish it hadn't been cut off in its prime...
D'ya think the 'boys' joined in?...or not?... 🍋

Oh, this is amazing to see, and in such good quality too. Dusty was always very well-spoken but I love the way that in footage prior to her solo career her vowels are just a little bit plummier!

This is indeed a little piece of music history, and confirms that her gorgeous voice was in place from the beginning. Fabulous. Thank you so much for posting this - it's very possible that I wouldn't have come

across it on YouTube myself! 🎵

So good that this has turned up on U tube and now on LTD.

It brings back such 60's memories.

Love it, thanks for posting. Like Carole I remember this from the NFT evening and would love the entire show in my collection.

That was a real treat :)
And even at that very early stage in her career, I think you have to admit that it was clear there was something different and quite special about Dusty..

BTW, several years later, there was a TV commercial made to that tune. I just can't think of the product right now.
