Favourite Dusty songs... oh dear, with a bit of labour I could limit them to maybe 199 or something. 🤔 The Memphis album would be among them, though, and Some of your lovin', too. 😊

Like everyone here, I find it difficult to limit myself to just one or even a few of Dusty's songs, and they do change quite a bit. Perennial favourites are I Close My Eyes and Count to Ten, I Don't Want to Go on Without You from Dusty Live at the BBC, and Daydreamin'. But there are many many more! 🙏

Don't know about a top 5--a top 40 makes me crazy, but AISIY is my all time favorite.

Hi Josh,

This is really difficult! How about:

What are you doing the rest of your life?
 All I see is you
 I just don't know what to do with myself
 I can't make it alone
 Beautiful soul

Hi Josh, my list also changes, but the top one never does which is 'All I See Is You.' The only other one is ' Never Love Again'.

Breakfast in Bed

Hello again Josh.....good to see you like 'Magic Garden', all of Dusty's work I love but the five I probably play most often are.....

I close my eyes and count to ten
Turn me around (74 version)
You don't have to say you love me
Give me time
Say I won't be there (love the orchestration!)
