One of the questions on Ken Bruce's 'Popmaster' this morning was :- 'What was Dusty Springfields real name?', Mary O'Reilly, Mary O'Malley or Mary O'Brien'.....after some thought the contestant said 'Mary O'Reilly'?...no points sunshine 🙄

I'd be OK if asked what the real names of Dusty, Cilla, Sandie & Lulu are but I'd fail if asked the same question about Duffy (who I love), Adele or Lady Gaga. 🙄

Easily done I guess, the contestant probably thought of the film title 'Mary Reilly', probably the only name in context she recognised

I sometimes have to think for a few seconds when it comes to Lulu (Marie Lawrie), plus I've met people who didn't realise Morrissey has a first name.....(Stephen)
