I needed to order more checks and found that checksinthemail.com would let me customize the checks with a photo...so I found one of Dusty that was big enough and was about to place the order when I got fed up with their P/H charges and the fact that 100 checks was going to cost me \$30. Being a cheep b-----, I cancelled the order. But they were gonna be cool looking checks !!

No Mary you didn't dream that. But aren't stamps expensive enough?

Sorry the check thing didn't work out Nancy...I still mail most of my bills over on line billing..it seems stamps go up a little every time I pick some up. I like picking out special stamps..this time it was a roll of flower stamps and on the side I always pick up a sheet or two of breast cancer

stamps...worth the extra money, I think. 😊

Well I haven't ordered any other checks yet, so you never know. I was just indignant that they were gonna come out to 30 cents a check !! and the bank doesn't even return the checks to you anymore.
