I just got a new phone and tried that DVD site but I wasn't compatible apparently. I did find a punchy SOAPM from somewhere, but don't ask me where! I was trying different things and suddenly one was texted to my phone. I didn't know where from, but I accepted gladly 😊

Thankyou, I used to have a Dusty ringtone but that was a while ago, I've now got IOWTBWY...and I love it.

Don't suppose this would work for American phones?

I have SOAPM --only one available from my Sprint service. Still, it's pretty snappy and makes me smile everytime it rings. And makes a few of my friends laugh and roll their eyes.

I wasnt clever enough either, Dene got it for me. Its great but it makes me jump when it goes off as I'm used to a sort of jingle bell sound 🤪

I had trouble downloading a ringtone on my cell (mobile to you in the UK) phone too!

I went to my AT&T dealer and they did it for me for a one time fee of \$1.00. I have Dusty singing SOAPM.

I got a bit fed up when I was in in Atlanta airport and it seems as if everyone there had AT&T/Cingular as their provider. They have a set ring. It really was a bit humerous looking back at it now. When someone's cell phone went off, at least 100 people would get their phone out! No more for me. 😊

Oh while I was in the dentist chair my cell phone went off, I apologised to my dentist, she said that's OK, it's my kind of music!
