Oh wow! These slide shows are fantastic, the effects are great too! They really show how naturally beautiful Dusty was! (: Thankyou for sharing them with us!

I could try to make some slide shows from Sarah's frozen screen shots, if anyone is interested.

Glad you approve, Carole. 🍋

Just discovered something very cool. As you watch the slide show, click on full view or enlarge view or whatever it says and it will open another copy of same slide show--you see two different Dusty images at once. Double your pleasure. 😊
