thanks for resurrecting this thread. I love that one too. Your eyes are drawn immediately to Dusty, out of everyone in the crowd.

Here is a favorite of mine (same gentleman also in the photo Carole posted), not new by any means, but worth enjoying again.

Hi Henry

The smirking face over Cilla's right shoulder is Derek Wadsworth!! Tom Jones, P.J. Proby and The Bachelors were not in this photograph or on this concert. I never saw any of them backstage unless they were. The concert was a great.

Yes, it's Cleo! Two of the greatest British Voices in one photo. I have never seen Dusty and Cleo together before. This is really something.

Who is the lady in the middle?

Yes! Mary's fabulous video is exactly what I mean, Will. There must be similar stuff out there. Video cameras (probably "super 8" movie cam all sorts and would have made home movies and taken a lot of pics. They're OUT THERE!

At this point in the Great Dusty Reawakening, whoever has this material in their possession must be aware of its ever-rising value. Sadly fo So, Carole G, who is the lady in the middle of the cricket bat picture? Dusty, Cleo Laine (?), and...? Looks like Phyllis Diller!

Have you seen those 7 French shows? I've only seen bits of the Aznavour one. Would love to see the rest.

thanks for these pics!

Hi All  
I did take some film at Pat's wedding on standard 8. I haven't looked at it for years. From what I do remember it did include Dusty, Norma, Peggy, Madeline, Pat's Mum and Dad and of 'cos Pat and Tony. I think also Eric, Dusty's Dress Designer/Maker. I did take a fair bit of the wedding... but as I said not been looked at for years. I might see if I can get it put into a modern viewing media somehow. I have not really thought about my films for ages!

Well come on then Cas - tell us - is it her next door neighbour. Whoever it is, it's a very nice picture of Dusty. And has she let her hair grow into it's natural colour? Because I like it, I think it suits her.
