The DVD of Dusty's performance at Royal Albert Hall in 1979, the camera follows her into the dressing room after the show. She is hugged by a blonde woman. Can anyone tell me who this woman is?

Thanks,  
Hildaq

If someone will throw this question up under the Getting It Right thread, one of the experts may know the answer.

There has been a little mishmash with this thread since Carole started a new one, replying to hildaq. I know you had the best intentions, Carole, but I'm moving your's and Birdie's reply here for ease of reference:

I believe her name is Annie Challis. I don't know much about her except for her involvement with Rod Stewart (business not pleasure!)

Annie was, I am pretty sure, a label rep at that point. Good caring concerned person in Dusty's career. They were/stayed friends. Birdie
