I quite like the "shifty sand". 😊😂 (sly sand, folks!?) 😊

It'd be funny to try and actually sing those words.. 😊

Theres no way you could fit them all in, without choking first.. 😊

Karaoke, anyone?.. 😊

Yes, and she spent a week in that shifty sand! Shamble naked lighter day gets the imagination running too. 🤪

I have a Japanese gatefold album called Dusty Springfield Custom Deluxe. The cover is hardback in a reddish orange colour and there is an oval cut out with this picture showing through....

It has the words to the songs translated inside and as with all translations, they don't quite read right!

I also have this single with the words on the back. The translation of Yesterday When I Was Young has some corkers. 🤔 The short haired photo's were obviously all taken at the same time, with a change of necklaces or dress and the one stood in front of a brick wall with a cheap looking hanging plant, makes me wonder at the imagination of the photographer!

■ YOU DON'T HAVE TO SAY YOU LOVE ME

When I said I needed you
 You said you'll always stay
 It wasn't me who changed, but you
 And now you've gone away

Don't you see that now you've gone
 And I'm left here all on my own
 Then I have to follow you
 And beg you to come home.

You don't have to say you love me
 Just be closing in
 You don't have to stay forever
 I will understand.
 Believe me, believe me
 I can't help but love you
 But believe I will never tie you down.

Left alone with just a memory
 Life seems dead and so unreal
 All that's left is loneliness
 There is nothing left to feel.

(Refrain)

■ YESTERDAY WHEN I WAS YOUNG

Some how it seems the love I knew
 It always the most destructive kind
 Yesterday when I was young

The taste of life was sweet
 As rain upon my tongue
 I teased life as it were a foolish game
 The way the evening breeze made tease
 A candle flame
 The thousand dreams I dream
 The splendid things I pray
 I always built to last a week in shifty sand
 I live by night and shamble naked lighter day
 And only now I see how the time run away
 Yesterday when I was young
 So many loving songs were waiting to be sung
 So many wild pleasures, lands stop for me
 And so much pain, my eyes refuse to see
 I and so fasted time and you, the last when all
 I never stop to think when life grows all about
 And every conversation that I can now recall
 Concerned itself with me, and nothing else that's all
 The game of love I played with arrogance and pride
 And every flame I let too quickly quickly die
 The friends I made, all somehow seem to slip away
 That's only now I am let alone to him to blame

There are so many sorrows on me
 There won't be song
 I feel better taste of tears upon my tongue
 The time has come for me to pray for
 Yesterday when I was young
