Ok, here are my suggestions:

1. With what other female pop singer did Dusty record a duet?

Cilla Black. She duetted with a couple of guys also, and sang with (the very female) Dame Edna, but the duet with Cilla is the only recorded one.

2. What was the color of Dusty's outfit when she appeared to sing YDHTSYLM at the RAH as Anne Murray's guest?

Teal. She wore red during the interview, and teal on stage. Teda picked the teal outfit, btw! 😊

3. What song did Dusty sing/mime solo when she was a guest on Dame Edna's show?

In Private

4. What was the nationality of the "date" Dusty chose when she played The Dating Game?

G(r)eek. *brrr*

5. Why did Dusty move to Holland first, instead of directly returning to the UK, after she left America?

She wanted to spare her cats, Nicholas and Malaysia, the several (three?) months of quarantine which were required in the UK for pets from outside Europe. (Though I don't really get that logic. Is there no quarantine in the Netherlands? And could Dusty really just bring her cats to the UK from NL without quarantine? If you can answer this, you're qualified for vet school. So what are you doing here then? 🤔)

6. Name four non-English languages in which Dusty recorded.

Agree with Sophie! 😊 Plus Italian.

7. On what Dusty recording did Carole King sing backup?

I'm stumped! 🤔 Back to reading "The Complete...!"

8. Who does Martha Reeves claim was "eating her heart out" in the wings because Martha had been chosen to sing the "Wishin' and Hopin'" with Dusty on RSG's The Sounds of Motown?

Miss Diana Ross! 🎁 But she took a late revenge by murdering "Goin' back"... 😊

9. With whom does Dusty's bear Einstein live today?

Agree with Soph!

10. What Dusty song was authored by Nona Hendryx?

Checkmate. (Wasn't there one song she co-authored??? Back to The Complete again!)

😊 ..would it be ok if I copied?? ..its hard not to peek.
😬 Anyway, I might be able to contribute one answer..but I'm not 100%...I'll have to do a little research...i guess 😊

7. On what Dusty recording did Carole King sing backup?- I think it's a version of 'You've Got A Friend'..but as I said, need to double check..can't remember where I heard it.

Sorry Ms Young, I always say no the first time I am asked. !!!

You must remeber it is some 45 years since I left school let alone wrote an essay, althoughj I did attempt an Open University course in the mid 1990's, but the classes were full of odd balls and bored housewives.

I got to thinking about Dusty's child hood, how do the versions vary in the 4 books printed as biographies of Dusty. Are the sources and anecdotes similar in Dusty, Dancing With Devils, A Life In Music and Scissors and Paste. Was VW telling the truth. Was Dusty fibbing and just trying to be amusing.

So I've decided to give it a go but first I need to interview Tom Springfield and get him to dish the dirt on his Sister. Perhaps you could locate him and get me a return air ticket, hopefully he may be in Brazil and not Chelsea.

Just joking, I will give it a go but it may take sometime.

Not So Clever Dick.

Hi Mads

Bully Off is the term for the start of a hockey match when the ball or puck is dropped by the referee between the two centre players and they both have a go at hitting it.

Excuse my terminology, hockey not my game.

DUSTY'S CHILDHOOD

I know Dusty was born 16th April 1939, but did you know that early in her solo career her date of birth was quoted as 16th April 1940, I guess it made her seem much younger nearer to her rivals Cilla, Sandie, Lulu, etc.

United Kingdom
944 Posts

Question 1: Has any one seen a copy of Dusty's birth certificate and if so are all four christian names on it as I understand Bernadette was added by the Nuns at her confirmation.

Question 2: Does brother Dion have any other christian names, it seems strange he only has one and Mary at least three.

Question 3. There seems to be some confusion, including Dusty, as to her place of birth. Dusty quotes Sumata Road and 87 Fordwych Road both in NW London. I know we discussed this on another site, but did we reach a conclusion. I can't trace a Sumata Road in the London A-Z Street Guide but Fordwych Road is in NW2 just north of Kilburn.

Your commentds would be appreciated.

Mr Dick.

Tom, is there a Sumatra Road somewhere in London? I guess "Sumata" is a typo.

Mads, she was ironic with the "good old Polish name", since it's so obviously Irish. To Brits, anyway. 😊

THEY JUST DON'T KNOW WHAT TO DO

A rare note of political harmony sounded across Camden Council chamber on Monday. At a techy full council meeting, Lib Dem whip Jonathan Simpson and Labour deputy leader Phil Turner at least agreed on one matter - 1960's pop legend, the late Dusty Springfield.

Apparently, the sultry songbird was born plain Mary O'Brien, without eyeliner, in 1939 at a nursing home in Fordwych Road, West Hampstead, close to the family home in Sumatra Road.

Cllr Simpson was keen to put up a blue plaque marking the former residence of the singer, but complained he had made no progress with "bureaucratic" English Heritage. He proposed to leisure executive Councillor Turner that Camden should start its own blue plaque scheme, following the model of Southwark Council coincidentally ruled by the Lib Dems.

Avoiding trickier leisure questions from other councillors, Cllr Turner seized on the singer in his limited time for reply and parried. "I share your regard for Dusty Springfield and have no objection to anyone putting plaques on buildings, but in celebrity strewn Camden" he warned "this would probably involve every house in the borough".

Did I just cheat 🤔🤔

Children, you are completely out of hand!
I see that Mz Corinna has abandoned ship, and the situation has deteriorated to say the least.

Your test this week is as follows:

1. What Dusty-related Christmas present would you most like to receive this year?
2. What Dusty-related Christmas present would you most like to give someone this year?
3. What plans are you making to remember Dusty in your holiday?
4. What non-holiday song by Dusty puts you most in the Dusty spirit?

Extra credit: Design a Dusty Christmas ornament and post the photo here.

1. A gold Disc of one of her songs - (preferably some of your lovin')
2. Nothing; because no-one else I know likes dust.
3. Listening to her Xmas songs.
4. I only want to be with you.

Matt.

Oh anymore questions you want us to answer?! What is this, a classroom or something?

1. What Dusty-related Christmas present would you most like to receive this year?

Something that has her autograph on it..

2. What Dusty-related Christmas present would you most like to give someone this year?

Just a CD so they can listen to her and stop making fun of me liking a 60's star!!

3. What plans are you making to remember Dusty in your holiday?

I gonna throw tea sets around and have food fights 🍌

4. What non-holiday song by Dusty puts you most in the Dusty spirit?

Oh i can't choose one... Probably SOAPM, Mama's Little Girl or Little By Little coz they remind me of the musical 🤔

1. What Dusty-related Christmas present would you most like to receive this year?

I'm not a greedy girl...anything will do. I did receive a phone call today from a friend hinting to watch the mail box for ...i think, for something Dusty related. YEAH

2. What Dusty-related Christmas present would you most like to give someone this year?

In Christmases past, I have given to family & friends my Dusty music compilations...family was mildly thrilled, but friends much more appreciative (that's what friends are for 😊)...anyway, I think its always good to give the gift of Dusty Song.

3. What plans are you making to remember Dusty in your holiday?

I did just purchase another Dusty cd while shopping on line...couldn't help it...I would like to fling some trifle across the table at my sisters husband..kidding..i wish. 🤔

4. What non-holiday song by Dusty puts you most in the Dusty spirit?

hmmm...hard to pick ONE..but, I guess if there is a Dusty song that gets me movin' & shakin..it would be 'Doodlin'

i thought that was this week's homework for **your** class, Miss Clare 😊

anyway, where is Miss Nancy? she hasn't been here for 2 weeks, now; maybe we should report her to the Education Authorities 🤔🤔

Oh i'm sorry, i tend to get the two classes mixed up.

It seems no one attends class anymore as no one has been to mine for a month. Which is fine by me as i don't want to deal with you children anyway.

Thankyou.

Oh yes and do report her to the Education Authorities as it will get their mind off the case in which i am involved... but you never heard that 🤔

Thankyou.
