You have done it again, Wend.

Every time you show us something new, I think it's the best one yet. And these two are no exception, but the beehive print!!! Oh my word, what a fine job you have done there - I absolutely love it. It's just beautiful.

I can't tell you how thrilled I am that you drew this particular image of our Dusty. Thankyou ever so much, you dear lady xxxxxxxxxx

Wendy, the more I look at that picture, the more I just love it. Absolutely gorgeous and so perfectly captured. You have the expression, the gleam in the eyes, and the detail in the hair is astonishing. That must have taken you ages to do!!

Your Bee Hive one is definitely your best Wend. 🍋 hands are so hard to draw, but you've done it, the hair looks great, you have got the lips...just right...yes it lovely.

Again, the credit is Wendy's - she has done a fine job of what is so iconic an image that is must have been terrifying to do! But she sure did it justice, didn't she? :)
