Just to thank Wend for the lovely portrait of Dusty that arrived this lunch time. It is simply gorgeous, and totally amazing ' Live' so to speak. Seeing them on line do justice at all. Now to find a frame as this is going up on the wall no matter what 😊

Thanks Cas you are more than welcome, enjoyed doing it, every minute. It was a beautiful photo to start with, very much like the beehive one, but I don't always go to go, and you and Will both pointed me in the right direction.

Wendy each one seems to get better, I don't know how you do it. When I'm looking at this one, I get the feeling that Dusty is going to pop out at me and say hello

The way you've drawn the hair especially, and the lighting and the shadow... I could go on! Simply fabulous.

Fabulous. I like that new picture the best. It's very accurate (that little kink in her right eye) and Dusty shines through it. I think Dusty is giving me the glad eye, or you think you should get those headphones off, switch off the PC and get some sleep? Like now? I think it's probably the latter unfortunately. But that's the mark o speaks to you! Fantastic work 😊
