That is a lovely portrait Wendy, one of your very best. A lovely thought Paula and a lovely birthday present Nancy going to an appreciative and well deserving recipient! 😊

Thank you Trek, I like the way you described that one "Dusty of the curls", I've never been able to describe it, but I will use that phrase from now on, it's a good one.

Wendy my favorite one is the drawing hanging by your fridge. Each time I took at it, I feel as if Dusty is going to jump out of that picture! The eyes are soo amazing in that picture, so full of life.

I agree Wend, amazing detail. Love the hand with the ring, so difficult to draw hands.
