Lucy's drawing is great. The other one is strange but good. What's the Silver disc? Is it the one from the Queen? Teda. xx

I think Lucy's drawing is very good, Carole. It's a hard pose to capture and she has done it very well, she's got Dusty's expression perfectly.

It's a disc that was presented to Dusty by Disc and Music Echo. The inscription says 'awarded to Dusty Springfield by Disc and Music Echo for 250,000 British sales of her Philips recording of I Only Want To Be With You'. I should have a picture of it somewhere on the computer. I found it at a record fair. It would seem that in the sixties (and I have a vague memory of this), Dusty gave the award back to the paper as a prize in a competition. Eventually, one way or another it found it's way to the collectors fair and I got my mitts on it 🤩

Still not very good but my impatient side is getting the better of my perfectionist side and the upload still took much longer than the cartoon

Gulp, thank you everyone for the compliments my ego would love for it to go on the website but then I have to be cautious. I think your website is fanatastic and like this forum a very warm and friendly place to be. I believe the website is going to attract a lot of attention whereas this forum feels like a cosy little night in with friends. I have to admit on purely selfish grounds I felt worried that the website might stop me going on the forum -but I can't! Ive used it as a councelling session and for a place to admit that I like playing in different gardens as well as being out of my tree. Quite a few people saw my alter-ego drawing the picture yesterday so ig you go ahead no references to Karenina should be made. Maybe you could use some random letters like jm (Corinna 😊 or just 'a humble Dusty fan'. Anyone with a mind like mine might go digging but the majority will just enjoy Dusty.
