I can see what you're saying about the John Fell drawing Wendy, such attention to detail, lovely. And I think your pop art Dusty is fab

Fell's drawing is well done, but in some of your drawings I think you actually capture more of Dusty's spirit. It's been said before, but Dusty is a very difficult face to draw.

Purple Pop Dusty = FAB.

Merry Christmas again, Wendeh.

hmm..not sure how I missed this. thank you for the amazing Christmas greeting Wend. fabulous as usual and I wish you and yours all the best in the new year. I really like John Fell's drawing...I am wondering if it was drawn in 'Dot'

technique or if that just the quality of the print? I had a friend who used to do great dot drawings.

It does look like that Paula doesn't it. I've been trying to work out how it was done so perfectly, especially the shading around the face, if it was a painting I would have said it was finely stippled, but it's pencil, so I don't know. I think the actual drawing is much bigger, so it could be done like you say. It's lovely anyway.
