As I had the idea, thought I should start posting a few fan pics. Some will be very familiar but then this is the place for all of them. In no particular order, just as I come across them....

Great pics.. Thanks Carole 😊

The second pic of the Silver Convention:

That looks very like our Brian standing at the side.

Could it be him?

I never tire of these. Wouldn't it be fun to run a poll on our favorite? I am partial to the ones with Madeline (and somewhere Ralph has another that I need to get ahold of). Oh, where Mad seems to be protecting Dusty's beehive is just precious!

I also like Dusty kicking --- Carole made her do it! And Dusty in pink and orange stripes -- is that a jacket, right? Or is it a top?

Thanks, Carole, you lucky moo!

I'm happy to share. Nancy, it was a coat, a very short coat mind you 😊 More of the striped coat (and Dusty 😊) Btw, I'm not sure why some pics are big and some small!

Manchester Palace

The Castaways, Dusty came out of the lift.

I'm the person behind Dusty pretending not to be interested! Too shy to push my way in!

With Mike Gilbert

Haven't a clue where this one was taken
