Does anyone know where I can get a Dusty print in the style of Andy Warhol's Marilyn Monroe? 😊 I tried to find one when I was in London recently but had no luck.

I've seen some on e.bay. Not sure if they're still being sold there but it's worth a look.

John, did you ever have any luck in tracking down a Warhol-style print of Dusty?

If you still have no luck, John , I could perhaps design & print you one.

My Gallery specialises in printing onto canvas/poster/photo paper.

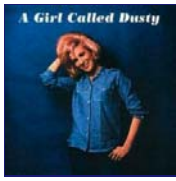

Mail me if that would be of help to you.

I saw them too, and yes they did look good, and at a reasonable price too.

That's just like my Wonder Woman print that I got last year in Ealing - I wish that shop had had Dusty ones too!!
