Firstly - I DON'T WANT TO SOUND 'BIG-HEADED' OR CLEVER'!.....  
I've just counted my Dusty cd albums...and I've got 201 !!!!!!! 😬

Obviously they are not all 'official' releases - they include a wonderful selection made by Fraser, several 'home made' efforts, re-mix albums etc, but still I'm pleased 🙏🙏🙏

I shall have to have a count up...but it won't be anywhere near 201..thats more than the 180 highest score on a darts board. 😬

I think about a dozen, all bearing the 'Beehive Productions' logo apart from Dusty In Memphis - the only official Dusty CD I own.

Blimey! I can't believe those numbers! Sticking just to CDs, I have about 30+ official releases plus a little stash of 'specials' and 3 CD singles.

I'd like to say that all my Dusty CD's are in one place, all neatly catalogued and lovingly dusted....but they're not. They are in a drawer, racks, two cars, under the stairs and in neat little piles in Lucy's old bedroom. I'd lose count with all that traipsing around!

I'm not organized either so just a guess of 60-80 cd's. Like to make new ones of my current favorites, so they just keep adding up.

Counting box sets, CD singles, Beehive Productions CDs, albums that were only ever released on LP that I've burned to CD (Greatest Hits, Golden Hits) unreleased/incomplete albums burned to CD (Longing, Faithful/Jeff Barry sessions), EPs that I've burned to CD (I Only Want to Be with You, Dusty, Mademoiselle Dusty, If You Go Away), and official album releases, I've got 60-not counting albums or compilations I have two or more of.

I start counting

Posted - 03/04/2009 : 15:21:54 [icons]

Okay... my OCD may be showing, but are we counting the boxsets as individual CDs (4 for Simply Dusty, 4 for Legend of..., 3 for Anthology). Or do each of those count as one CD? And do multiple copies of the same CD count multiple times? It's hard to pass up the rare CDs when I see them... even when I already have them. 😞

Maybe it's not that serious. I will say 105.

By the way, just for clarification, I included CDs that I bought that featured Dusty on background vocals, too (like Evie Sands, Phil Cody, Rough Trade, etc.). Yes, I know. It's an illness.

👤 I've counted the sets as one, as it's one album. But you count as you please. 😊
