I spent a wonderful afternoon yesterday, curled up in front of the fire, in my pyjamas, scoffing a box of Cadbury Heroes... and watching Live at the BBC. I thought I'd watch a couple of episodes, but of course I watched the whole DVD, extras and jukebox included.

I never underestimate the power of our Dust, but I also never fail to be blown away when I see her in action.

Cheers Dusty – you've been the best thing on my TV this Christmas! 😊

(I don't know what the weather has been like where you are, but it's been pretty grey here. This ray of sunshine cheered me up... <http://www.youtube.com/watch?v=TcyAeyeny-k>)

Brilliant singer and comedienne--that melted some of the snow here in Boston. 😊

What a great way to spend an afternoon!
