Where am I going?

I had an idea today when i was doing the washing. My dusty t-shirts are looking somewhat forlorn and it occurred to me that given the number of technical wizards and geniuses we have on this site, that it might be possible for us all to have an "LTD" T-shirt of our very own? Is this within the realms of possiblity do you think or is this just another one of my totally unpractical ideas?

Hi Neil, I am investigating this....so I guess we really are psychic twins. 🤪 I'm looking into an embroidered pattern and a printed one. There will probably be some other merchandise available as well. I'll definitely keep you and everyone posted.

We will probably set it up with some of the proceeds to go to the Marsden (for which we will soon launch a major related fundraiser) and some to defray operational costs for the website, forum, and chat, which we pledge to continue to bring to you commerical-free! 🍋

Sounds good to me...can you bear in mind that for me...being an old biddie...that if I was to wear a T shirt it would have to be BLACK with the writing quite sort of neat and small...thats not to say I wouldnt buy a PINK one...I just wouldnt wear it 😊

There are ladies cut and men's cut Tshirts; also tank tops and polo shirts.....any thoughts on any of these?
Who would wear a polo cap or an army style cap?

I think it's a great idea Neil!.....I'd love to have some shirts with an image of Dusty on, and I'd wear them loud and proud!

Being, ahem...'larger than average' I could probably get hold of some white T-shirts from my usual sources, we just need an expert to print some images, obviously I would pay postage and costs involved....

In anticipation!

Mark

Would you boys wear baseball and/or military style caps as well?

Mark, I can probably handle it from this end, but shoot me an email and we can discuss more there.

I'd love to get a t-shirt, or long-sleeved shirt, but aren't really into caps.

I'd wear an Op Art T shirt in dark colours or pensioner beige..

Will do Nancy!.....I'll probably have to pass on the caps as the diameter of my head is larger than average too!.....I usually get XL ones from my local outlet centre, they all seem to have New York on them!

Nancy

T Shirt, long sleeve shirt as long it is black and tasteful.

Are you still investigating a 2008 calendar?

I've hit a snaglet with the embroidery idea, but am now looking for a good screen printer. I am sure if all are patient, I can come up with something/s good, and hopefully a calendar for you too, young Tom.

T-shirts are a great idea. I'd buy one. I would also love to get my hands on a calander that one member suggested. Great stuff.
