The first time I saw her was 47 years ago next week (Nov 18th) at the Odeon Exeter...with Brian Poole, Dave Berry and Hermans Hermits. She wore a long green skirt and white blouse and had hair tied back in a black bow. I met her for the first time after the first show when she had ham and eggs in the nearby Hamby Bar...wonderful memories!

Brain Matthew mentioned this landmark occasion in his show on Saturday. I saw Dusty on the second night of that tour in Bolton, you always remember your first time 😊 I have a clear memory of what I wore that night and the time I took getting ready. I can almost still feel the excitement.

This could be a regular thread marking the events in Dusty's life that we know of 🙌

It was my goal, Carole. Example in Decemeber 3rd, we could say: 32 years ago, Dusty was on the stage of the Royal Albert Hall. I'm happy to see you like the idea.

Thanks for your stories Wally, Liz and Carole. I'm dreaming with Hollywood Movie Girls! 🙌

Hey Markus, why "Great idea Carole" ? It's my idea. Who started the thread? Me!

I know it's not important, sorry! But I needed to tell it. 😞

I'm sure Carole didn't mean to snatch your idea, Samuel. 😊

And yes please, you lucky people who got to see Dusty, share your important Dusty dates with us!

😄 Hey ! If you don't blow you're own horn who will ? 😊

Besides, we're just having fun.

Daydreamer has clear memory of what she wore, and the excitement of getting ready. 🙌

And Wally, I know exactly that green skirt, white blouse, and black bow. ⭐

Your personal experiences are why we come to visit LTD. 😊

(Can anyone verify the date Mary Owens met Dusty on the streets of L.A.?)

Bring it on ! 🙌

🙄 That sounds like an excuse a partner tells their lover when calling them by someone else's name. 🙄

only just noticed this ,lovely to see the old place Rob. such a shame they knocked it down for the usual glass and concrete monstrosity,they call buildings these days. 😞
it had a great cinema screen and a fab stage for the shows, I saw so many of the 60s pop stars there,it was a great place. it had gorgeous red velvet curtains and plush red seats. thanks for putting it on here. 🙌

Looks nice does the Capitol theatre.

I find so many venues I went to in the 60/70's have been knocked down and replaced with ugly buildings or houses!

Good job we all still have our memories to remember what these places were like 🙌 and what great acts we saw in them.
