I'm rather taken with the photo of La Dust and Simon Bell on this page

http://www.dustyspringfield.info/LTD/Simon_Bell.html. Dusty looks incredibly cool!! 😊

I'd love to know a bit more about it, if anybody happens to have any information... does anybody happen to know roughly what year or maybe where it was taken?

A really nice picture. Very kind of Simon to share it. 🌹

It was taken when Dusty was making the commercial for Britvic 55 juice drink. That would be 1987. If you never saw the ad, it had Dusty driving around in a convertible and on the way you saw snatches of other 60's pop stars like Scott Walker, Sandie Shaw etc, only to have Dusty step out of the car at the end and there was something said about Britvic being the "real thing", which obviously applied to Dusty as well 🤝 The music played was IOWTBWY.

Also Starring

Dusty Springfield

— Girl in Street —

— Man in Cafe —

— Man in Park —

Dave Dee
Dave Berry · Adam Faith
Lulu's Mini Cooper
Bill Wymans Cat.

Britvic 55
55% fruit juice with a sparkle

As Dusty is mentioned here in adverts , thought I would remind people of this one [voice only] 😊

It was a good ad - they'd obviously done their homework on sixties stars - SANDY SHAW -it was never spelt with a 'Y' 🙄

That advert sounds fab! Dusty looks fantastic - and she could still wear the heck out of those daisy earrings years later!! 🍷🍷

Thank you all for the responses! 🙌

As you found the clip we were talking about Sarah, I thought I copy it over from the other thread. I've often wondered if it was Dusty or the producer who suggested substituting her legs for a, let's say slimmer pair, at the beginning 😊 She would probably have refused to wear a skirt anyway 🙄

At least there was no one's hand on Dusty's leg. 🙄

LOL Nancy!

And didn't Dusty say somewhere that she saw this as a revenge for Anita Bryant's commercials for orange juice 🙄

Thanks Carole, good idea!

I was extremely pleased to see it on YouTube, had though it might have ended up being a bit too obscure, but it just goes to show!

It's a fab advert- very creative. Love the big bow in the back of Dusty's hair! Bow, daisy earrings, eye makeup... ah, Dusty. I really appreciate the way she didn't mind 'goin' back' to her previous image, unlike some of today's pop stars who would never dream of appearing how they were dressed in an earlier era! 😊

I'm really intrigued by Cor's comment - I'd love to hear what Dusty had to say about this advert if anybody has any more detail! 🤔 😊

Thanks Jonathan, I hadn't played on that far, what a coincidence Dusty and Madeline were in the same commercial break.
