Can anyone help? I have been trying to get a copy of the image that was in the background when Dusty was singing with Martha Reeves in 1965. It was during the Tamala Motown Revue when they were singing 'Wishin' and hopin' It was black and white and Dusty is wearing a polo necked jumper and is folding her arms.

Thank you so much for these pics.

I would like to have a poster printed but need a really good quality image. Does anyone know who took the photograph?

Dezo Hoffman was the photographer- he took the most flattering pix of Dusty.

Here's a large file for you:
