I was trying to make a list of anything that has been released on vinyl or cassette but not CD.
can think of these so far:

All Cried Out (US single edited version)

I Close My Eyes And Count To Ten (Live) (on Dusty in Deutschland DVD, previously released on LP
Gala-Abend der Schallplatte 'Pop' 1969)

Rep U Dub 1

Arrested By You (Instrumental Version)

What Have I Done To Deserve This (The Shep Pettibone Mix)

What Have I Done To Deserve This (dub mix)

any more anyone can think of or have any of the above had an official CD release you know of?

Were the Shep Pettibone remixes of In Private and Reputation given a CD release?
