Dusty was a kinky girl, but a true talent..

I was just talking with Nancy and I mentioned some Mary Weiss web pages and Mary referring to Dusty with fondness. In case you haven't seen them here are the Mary Weiss (Mary was lead singer on most of the Shangri-Las tracks) pages I was talking about - this is a great interview if there are any Shangri-Las fans out there (I'm definitely a fan).

The page with the Dusty references is below (there's not much new but it's still interesting). If you scroll down just a little bit you'll come to Mary's version of the party story and crockery smashing and then later when she's asked who her musical favourites were she says Dusty first off.

The start of the full interview can be found here:
