Golly, I am busy uploading things tonight.

I have been entrusted with the enjoyable task of sharing these pictures from Teda for you all to enjoy.

The date was Dec. 6 1983. The guy is Spencer Davis - Dusty was recording with him at the time. The track would have been 'Private Number I guess. I hope that carpet was clean she's sitting on in pic 2!

Tim 😊

Baby Blue was '79 Nancy, these were taken after White Heat. Dusty is quoted as having had fun recording the track with Spencer Davis. I fin
that although her vocals are fine, the whole thing is far too laid back. Much prefer the live version she did with Jimmy Ruffin on her TV series.

The version with Jimmy Ruffin is FAB!

Love&&more love

Posted - 09/01/2007 : 13:12:51

Yes I agree Carole, the later version sounds laboured. To be honest I think Spencer Davis lets it down. He sounds out of puff, and Dusty is matching her pace to him. It's still worth a listen to anyone who hasn't heard it. You will find it on 'Heart & Soul, and prob a few other compilations. Or someone could perhaps YouSend it if that's still allowed..

Woops - nicely off topic... From Dusty and Tina to Teda and Tina to Spencer Davis...Is this the right place to mention Alision Moyet once nicked one of my jokes.... No, probably not.

I just noticed this. Thank you Nancy for putting them up. That is the clearest its gonna get. The photo in the middle is whst Jennifer Cohen wanted her to take for head shots. She took a few more and leave them with me. They used one to say when she passed on. I'll send these other ones over to Nancy. They're the orig. Snap shots that went into head shots. Love Teda.xx If you don't mind Nancy.

The Paul and Dusty one is a special favourite of mine, she looks stunning. I never saw it in the 60's but it turned up in Record Collector a few years back. I was also surprised to find it framed on the wall of an Italian barbers shop in Manchester 😊

Thanks also for the Hippodrome one Frans, I didn't have it in that quality.

Am racing up at the back of the field again!.....But, I have this pic of Dusty and Paul and the one I have is from an A5 size publication and I think it probably came from America. The picture appears on the back of an interview with Ringo Starr. there is nothing to say which magazin this was from but it says it was a "special series of four Frederick James interview features in which John, Paul, George and Ringo talk to Beatles Book readers". Perhaps someone in the States may recognise the name of Frederick James? Moira x
