It's a great clip, isn't it? She doesn't have her hair like that a lot. Like those cowgirls, too. 😊

Thanks for that, Samuel! I've never seen it before. I wonder when that was performed.

The show was produced in 1967, Taylor. It's called Bandstand.

To add a little more to Frans' post, the original DVD release was called Dusty Down Under and was issued for sale at the performances of the Australian musical. It was also issued through the DSB as Brian Henderson's Bandstand 5 or 6 years ago.
