Margaret is still around Mary. She missed this years Dusty Day for the first time as she didn't want to drive into London I believe. I have video's from most of the DD's courtesy of Margaret but I don't think she's on the internet.

Hi Mary I just rang Margaret and Pat answered and she is getting Margaret to ring me back later. I will tell her you'd like to hear from her.

I wish i could work my scanner, i have bought a book called how to do everything with your pc, i guess i should actually read it, although if i do get the hang of it one day you will probably all regret it lol

Mary, that's very exciting that your able to reconnect w/ an old Dusty friend. I used to have pen pals when I was younger. I always looked forward to that letter in the mail. 😊
