Oddly enough Kathy, or uncanny if you like, or coincidental, or Spooky, Oh get on with it. I have had that exact picture run off and sitting for the last month or so, with a view to doing something with it. It's got the words STAY AWHILE, SOMETHING SPECIAL, DUSTY SPRINGFIELD alongside it. Was it a photo from Germany or something, because the attachment says "StayAwhileGermany.jpg."

so Kathy, what is it exactly?..a ticket or envelope of some kind? 🤔

I was going to ask that same question 😊

It is an envelope that was printed up with the details and the iconic Dusty. (Actually I set it up badly on the scanner and the envelope en stamp.) It appears larger than it actually is too. I presume it was available for sale at the Rock and Roll Hall of Fame shop or something.

The stamp has been stuck on and the cancelling marks are for the Hall of Fame and the date. The cancellation doesn't actually say it is a f issue for the stamp as they usually do in Oz or Britain (known as First Day Covers to stamp collectors). Also the stamp says "local post" and sure what that means. But it was sold as a First Day Cover--I am not sure of the Waldorf Astoria connection. Perhaps it was given away at held there for Dusty's induction. If anyone can throw any more light on this I would love to know. But it wasn't very expensive and as soon had to have it! 🇺🇸🇬🇧

Kathy..I'm guessing the Waldorf was where the ceremony was held? and the stamp may be special for the event?

She's so cute there, Frans, but they made her blue blouse pink and fattened up her cheeks a bit, don't you think?
Great item, Kathy. suitable for framing. I think the Waldorf Astoria Hotel is where the RR HOF induction is or at least was held in 99.

That's the thing with artists, Nancy: they're in a league of their own! I once saw an album cover of Donna Summer's Bad Girls-album, where covered up her front. Being for the Eastern market, it showed too much cleavage...

I found another 'collectors item'... what good is a cigar with a Dusty band, without a matching box of matches :)

My latest acquisition, bought on Ebay. I've been collecting Dusty's records ever since The Springfields-days, but I NEVER, ever saw a French record, only an EP.

Supersonic!

Frans - This is an opportunity to thank you for posting the French EP cover a while back. I couldn't remember that cover. I'm sure I found a record by Dusty (but it wasn't in good condition so I didn't buy it). I thought it was an E.P. - maybe it wasn't!

Didn't know where to put this, it was on Ebay today, and tho' I haven't bought it, I do think it an unusual one and new to me. From Tunisia

thanks for posting the cover Frans, front and back.
I do love that photo of Dusty, she really is gorgeous.

Also interesting to see on the back that New Zealand released the American version of the album and not the UK one.
