Well, I don't know about you, but not being a great reader of sleevenotes I always assumed that The Pet Shop Boys Wrote 'Reputation' and 'In Private'...I consider them to be quite similar.

However it turns out that a guy called Brian Spence wrote Reputation. Theres an article about him and Dusty here:

http://www.spencemusic.co.uk/OtherArtists/oartists.html

and The Pet shop boys just wrote 'In Private.

Which d'ya like best? 🤔

I think I would go for reputation as I love the way she sings the chorus. but I love all of her songs with the pet shop boys as they put her back where she belonged.hearing that voice after all those years was a real thrill. xx

Oh no, I love them both!
I prefer them both to 'What Have I Done To Deserve This' and 'Nothing Has Been Proved'

'In Private' hands down, no contest by a thousand miles. 🏆

I do like 'Reputation', but not as much. The production is just a little too over the top. It's very tight and focused on 'In Private'.

I'll go for 'IP' as well. Reputation has just as insistent hookline but IP is a bigger song somehow.

That absolutely sums it up, Carole. The 12" version of In Private is a Dusty classic.

I'd probably go for 'In Private' too, but I'm surprised that the vote isn't more split down the middle.. 🤔

They are very similar after all, does anyone dispute that?...

Anyway, looks like Dusty's Reputation gets a thumbs down, in this li'l Contest. 😞😞😞

Hi,

I love both songs so much! They made me a Dusty fan!

Maybe I would prefer "In private" a litle, but I have always been a fan of the "Reputation" single as well.

So that is a hard decision for me.

Best wishes,
Jan

Hi there,

for me "Reputation" definitely was a perfect single. It has such a great chorus and also lyrics that just fit perfectly to Dusty although the song was not originally written for her.

I always loved the song, also the "well you try, baby you look for a way..." part.

Here in Germany we had two maxi-cds of the Reputation single, the normal one and a remix maxi with two new radio remixes and Getting It Right in its full vocal version.

Were these versions also released in the UK?

Best wishes
