I don't own any of Dustys sheet music, but I often see it for sale on Ebay.
Heres a couple of them for starters.....

Thanks Cas - I particularly like the pink one. Well that's the picture I drew isn't it. But the pink sets it off beautifully, that is one of her most beguiling photos I think. Don't you. I have to draw it again now for a friend.

I can see that picture in a different light now, the soft shading in the background, it's lovely.

Now the yellow Stay A While one is the photo she had taken in a fur coat isn't it, it looks like it. I wonder if that fur coat was real fur, do you think? Well whatever - it was a beautiful coat, where did it go I wonder. Carole????

Haven't a clue about where the coat went Wendy! I wouldn't be surprised if it was real, back in the sixties we weren't as socially aware of the fur trade as we are now. I had a white rabbit fur 😊 I love the first pic with Vic, I've always thought Dusty looked so classy on the shots from that session.

My fav so far is the 'Wishin' and Hopin' one, but yes Wend thats the pic you have drawn more than once, and it looks good in the pink.

I think that's a new one to me too Cas. Although if I enlarge it, it may be more familiar.

The first one with Vic Billings is very James Bondish looking!

Love the pink I'll Try Anything one which I see sold for 3 shillings 🙄
IJKWTDWM was 2/6 ..I can remember going to the pictures and getting chips on the way home for 2/6!!

I'd love a drawing of that pink one Wendy...I'd happily put some money into the charity fund 😊

No problem Trek, although you will have a little wait if you don't mind, as I have got about 4 to do at the moment, but will put you on the list for the 5th if that's ok.
